

## NORTH SQUARE BLUE OAK

In anticipation of the Year of the Metal Tiger, you are invited to  
a special seminar followed by drinks and entertainment  
**RMB vs US\$: Mutually Assured Destruction**

**The issue:**

What China will do with the RMB and its foreign exchange reserves is a central issue for the world economy in 2010.  
We present a seminar with our Chinese government advisors and First China Invest research team.

**The speakers:**

**First China Invest's Chairman Derek Han**

Consultant to several Chinese government bodies, such as the State Administration of Foreign Exchange (SAFE),  
which governs China's exchange rate and holdings of foreign assets.

With in-depth knowledge of both sides of the debate, Mr Han will outline the ugly embrace in which the two nations  
are locked and what measures each side could take to extricate themselves – and at what cost.

**Venue:** Bloomberg Auditorium, City Gate House,  
39-45 Finsbury Square, London, EC2A 1PQ

**Tuesday 9 February 2010**
