China Chamber of International Commerce

China Chamber of International Commerce (CCOIC) is a nationwide business organization in China, representing the most dynamic and internationalized Chinese companies of all sizes, sectors, and regions, as well as national and local non-governmental organizations.

CCOIC's mission is, in accordance with the laws and regulations of the People's Republic of China, to expand the international business relationship to the benefit of its membership and, more broadly, the Chinese economy. It favors constructive engagement with foreign countries to eliminate trade and investment barriers and develop a rules-based commercial environment; improvement of business self-regulation in China and representation of China in the setting of international business rules and standards; advocacy for members whenever the Chinese or foreign government makes decisions that crucially affect corporate interests; spreading of business expertise to the development of Chinese economy, international business cooperation and the growth and prosperity of less developed countries.

CCOIC is governed by a board of directors composed of over 100 distinguished corporate leaders. The current chair is Mr. Wan Jifei, Chairman of China Council for the Promotion of International Trade (CCPIT).

CCOIC served as the National Committee of International Chamber of Commerce (ICC) since China's entry into ICC in 1994. Headquartered in Beijing, CCOIC maintains a professional staff of policy experts, lawyers, trainers, event organizers, and communicators. Special initiatives covering banking rules, new energy, recycling resources, infrastructure, education and training, debt collection, and real estate mobilize the involvement and contribution of members with the backup of CCOIC branches and expert

commissions.

Business Objectives: trade promotion
