

中英现代产业合作伙伴关系 绿色转型合作论坛 UK-China ICP Green Transition Forum

12月2日 · 广州

December 2, Guangzhou

The Industrial Cooperation Partnership (ICP) was jointly initiated in 2019 by the Center for International Economic and Technological Cooperation of the Ministry of Industry and Information Technology of China (CIETC), the Confederation of British Industry (CBI) and the China-Britain Business Council (CBBC). The ICP aims to promote practical cooperation between British and Chinese organisations in the modern industries space.

Green transition was one of the key themes of the inaugural Industrial Cooperation Dialogue (ICD), which was held in June 2022 between the UK's Department for Business, Energy, and Industrial Strategy (BEIS) and China's Ministry of Industry and Information Technology (MIIT). One of the joint outcomes of the ICD is the establishment of the ICP Green and Low-Carbon Working Group as a platform for the UK and China to exchange policy and promote concrete collaboration in the green and low-carbon field.

The UK-China ICP Green Transition Forum will take place alongside the 2022 Industrial Green Development Conference in Guangzhou, which will be hosted by MIIT, Guangdong provincial government and Guangzhou municipal government. The Forum will support continued policy and commercial exchange in the green and low-carbon field, convening a range of key representatives from government, industry and academia. It will see the official launch of the ICP Green and Low-Carbon Working Group.

Invitation to exhibit at our UK Pavilion

As part of the China Industrial Green Development Conference and Expo, CBBC will be hosting a UK Pavilion exhibiting leading UK companies and their Green Transition and Low Carbon technologies. Dedicated to supporting policy exchange and commercial cooperation, the UK Pavilion welcomes British companies with leading green transition and low carbon practices to exhibit at our pavilion. We hope the three-day event will enable British companies to share your industry best practices, enabling business connections and inspire new ideas!

Costs: Both exhibition space and decoration costs are free of charge for CBBC members

Spaces are limited so will be allocated to a first come first served basis.

To apply for an exhibition space, please contact Mark Xu @ mark.xu@cbbc.com
